## SAUCE DOYPACK

About

ASCANIA sauces in doi-packs — are recognized flavors with a rich character. Balanced formulations are made for meat, fish, vegetables, sandwiches and fast food. The 200g format is convenient for daily use at home, on a picnic or on the go. This is a universal solution for those who appreciate bright taste, convenience and a modern approach to familiar dishes

VISIT US

## FRUITS AND HONEY CONCENTRATED DRINK IN SACHET

About

ASCANIA natural teas in sachets are concentrated drinks based on meadow honey, ripe fruits and berries. Balanced recipes allow you to prepare the drink in hot, cold or carbonated water, creating a rich and refreshing taste. Each cup gives the bright juiciness of berries and the gentle warmth of meadow honey. The convenient sachet format is ideal for portioned use at home, at work or on the go

## CREAMY HONEY

About

ASCANIA Cream Honey is a natural honey with a whipped, delicate texture and rich taste. Original additives - berries, fruits, coffee or chocolate - add depth and emphasize the taste of fragrant meadow honey. Ideal for toasts, desserts or as an independent treat. A great choice for fans of high-quality honey with original flavors

About us  
Interagropack™ is a company that has been operating since 1998 in the polymer packaging market of Ukraine and neighboring countries. With an annual production volume of 500 million units, the company has successfully passed an audit according to the FSSC 22000 standard. We manufacture packaging for dairy and fat-and-oil products, instant foods, baby food, desserts, and ice cream. Our packaging fulfills several important functions simultaneously: it protects products from external influences, helps preserve them for a specified shelf life, and serves as a vital communication channel between the producer and the consumer

## FLEXIBLE PACKAGING FOR CONFECTIONERY PRODUCTS

**About** Confectionery products require an individual approach to packaging. ITAK offers high-quality packaging for chocolate, candies, wafers, cookies, muffins, and other sweets. Our packaging provides excellent barrier properties, protecting texture, aroma, and flavor, while preventing moisture and grease penetration. The Cold Seal technology preserves delicate products without overheating. Packaging by ITAK protects and sells

## FLEXIBLE PACKAGING FOR DAIRY PRODUCTS AND ICE CREAMSNACKS

**About** ITAK manufactures packaging for dairy products and ice cream, as well as labels for beverages, including sleeve labels that are gaining increasing popularity among beverage producers. Packaging from ITAK is high-quality, vibrant, and environmentally friendly. By ordering packaging from ITAK, you will support your reputation for quality in the market

## FLEXIBLE PACKAGING FOR FAT-AND-OIL PRODUCTS AND SAUCES

**About** Products in the fat-and-oil and sauce category require specialized packaging due to their aggressive composition and sensitivity to external factors. ITAK offers packaging solutions such as Flow-pack, Doypack, and Retort with functional features (zip locks, euro slots, dosing spouts, etc.) and vibrant printing that ensure product protection, quality preservation, and strong brand appeal

## CLASSIC KETCHUP

About

Classic Ketchup with the taste of real tomatoes.  
Crafted with traditional ingredients and enriched with natural applesauce, this ketchup sets the gold standard of flavor.  
Perfectly balanced and moderately sweet, without excessive sourness – its taste is in subtle harmony with your favorite foods: meat, pasta and hot sandwiches. Add it to cabbage rolls, vegetable casserole or stew. And enjoy the rich tomato taste paired with a delicate blend of spices and herbs

VISIT US

## OIL STYLE SUNFLOWER OIL

About

Oil Style Sunflower Oil (P Grade) – an unrivalled leader in its category!

Thanks to advanced purification technologies using Swedish Alfa Laval equipment, Oil Style retains an optimal amount of vitamins and micronutrients – making it a smart choice for a healthy, balanced diet.

It retains its properties even under high temperatures and withstands multiple heating cycles without compromising the quality of your dishes. These advantages make it a cost-effective choice for both home and professional kitchens.

Perfect for direct consumption, frying, baking, or canning – it preserves the natural taste and aroma of every dish
